

AST PLAN CONTRACT

Estate Alba Limited

AST PROMO

The major thing is about some information about adherence of investors towards the rule made by agent working in the company, and in some packages like promo packages that investors have to get the necessary rule from a working agent in estatealbalimited because promo comes up at any given time company want to make investors enjoy more profit but such is gotten when an investor adhere to the rule given by agent through the head office of the company.

Such rules that should be sourced by agents are regarding the referral, compounding from the old package that might lead to a new package and other necessary things that the investor seems to be finding difficult.
