At Estate Alba Limited, in order to serve you better, we are listing out several promo packages to our investors and in order for you our esteemed investors to be partakers and steadily updated, kindly adhere and always keep steadily in touch with your agents, as they are frequently updated with the promotion and the duration covered. Our Agents are well knowledgeable about how the company operates and are there to enlighten investors regarding issues that will spring forth on terms such as investment compounding, migrating from old packages to new packages and other related terms that may be strange or a bit difficult to investors.

“

**We deploy this method in order to actively address complaints and give quick solutions due to the large number of our investors, with our numbers steadily increasing we urge investors to adhere strictly to Our Agents**

”

### Promo AST

-----x

These packages offer investors 100% Capital protection with a Daily 3.6% Profit Turnover for 3 Months. With a Sum of \$6000 you can be an investor T&C Applied
